ABOUT US

Building the Future of Retail

From a journey that began in 1976, Safe Enterprises Retail Fixtures Limited has evolved into one of India's leading retail fixtures and shopfitting solutions providers, expanding significantly in scale, manufacturing capabilities, innovation, and execution excellence to serve the rapidly transforming retail landscape.

Established in 1976, Safe Enterprises began its entrepreneurial journey by serving the retail ecosystem and gradually building strong customer relationships and a deep understanding of the industry's evolving needs. A defining milestone came in 1991, when the Company made the strategic decision to focus exclusively on retail fixtures and shopfitting solutions. This sharpened focus laid the foundation for what would become one of India's leading integrated retail infrastructure companies, dedicated to designing, manufacturing and executing retail environments for leading domestic and international brands.

As organized retail expanded across India, Safe Enterprises evolved alongside it. The Company steadily strengthened its engineering capabilities, manufacturing infrastructure and execution expertise, enabling it to deliver complete store rollout solutions—from design and product engineering to manufacturing, logistics and on-site installation. Today, with over 50,000 projects delivered, 3,000+ standardized components, 17 registered design patents and 11 product ranges, Safe Enterprises has established itself as a trusted partner for retailers seeking scalable, high-quality and future-ready store environments.

Recognizing the need for standardized, modular retail infrastructure, the Company launched INSYNC Shop Fittings in 2010 as its dedicated research, product development and distribution platform. INSYNC was conceived to transform decades of execution experience into a comprehensive portfolio of modular shopfitting systems that could significantly reduce store rollout timelines while providing retailers and designers with greater flexibility, consistency and ease of installation. Built on thousands of hours of research and product development,

INSYNC introduced India's first organized branded shopfitting ecosystem, combining standardized components with custom retail solutions. Over time, it has evolved into the innovation engine of the Company, integrating lighting, digital displays, AI-ready infrastructure, and smart retail technologies that enable retailers to create more engaging and efficient shopping experiences.

Building on this innovation-led foundation, Safe Enterprises is now entering its next phase of growth. Through WAVE, the company is expanding into the USD 30 bn+ retail automation industry*, developing intelligent store solutions including RFID-enabled checkout systems and connected retail technologies that enhance customer experience while improving operational efficiency. Simultaneously, through EVOLV, Safe Enterprises is leveraging its expertise in precision engineering, modular design, and manufacturing to enter the home and lifestyle interiors segment, which has a total addressable market of USD 800 bn+ globally**. This move extends Safe's capabilities beyond commercial retail into premium residential spaces.

Supporting this transformation is a rapidly expanding manufacturing footprint designed for long-term scale. Upon commissioning of its new manufacturing facility, the company's total manufacturing footprint will exceed 5 lakh sq. ft., providing the capacity to support over ₹1,000 crore in annual revenue. Combined with a virtually debt-free balance sheet, disciplined capital allocation, and a culture of continuous innovation, Safe Enterprises is well positioned to capitalize on the structural growth of organized retail while creating sustainable long-term value for customers, employees, and shareholders.

MESSAGE FROM THE BOARD

“We are not merely building fixtures; we are building the infrastructure that powers the future of modern retail.”

Saleem Shabbir Merchant | Chairman & Managing Director

From Chairman's Desk

India's retail sector stands at the cusp of a transformational growth cycle, driven by rising organized retail penetration, evolving consumer preferences, and increasing demand for experience-led store formats. In this rapidly changing landscape, Safe Enterprises is uniquely positioned to play a critical role in enabling the infrastructure behind modern retail.

For nearly five decades, our journey has been defined by resilience, innovation, and a relentless focus on execution. What began as a fixture manufacturing business has steadily evolved into an integrated retail infrastructure platform serving some of India's leading brands.

Our long-term vision remains clear—to build scalable, future-ready solutions that empower retailers to grow efficiently while enhancing customer experience. As we continue expanding our capabilities, we remain committed to sustainable growth, disciplined capital allocation, and long-term value creation for all stakeholders.

“We are not merely building fixtures; we are building the infrastructure that powers the future of modern retail.”

I thank our shareholders, customers, partners, and employees for their continued trust and support.

“We are scaling not just capacity, but capability—positioning Safe for sustainable long-term growth.”

Huzefa Saleem Merchant | Executive Director & Chief-Executive Officer

From CEO's Desk

FY26 was a defining year for Safe Enterprises as we delivered strong execution across operations, capacity expansion, and product innovation.

During the year, we successfully executed 425 stores across multiple retail categories, reflecting both the strength of our customer relationships and our execution capabilities. Revenue growth remained robust, supported by strong new store rollouts, increasing refurbishment demand, and improved realization per store.

A major strategic milestone for us is the development of our Ambarnath integrated manufacturing facility, which will significantly enhance throughput, efficiency, and scalability. This investment positions us strongly for the next growth cycle.

Innovation remains central to our strategy. Products such as THE WAVE and EVOLV reflect our ambition to evolve beyond conventional shopfitting into smart retail infrastructure and adjacent modular solutions.

As retail becomes increasingly technology-driven, Safe will continue to invest in engineering, innovation, and scalable execution.

“Sustainable growth is meaningful only when supported by disciplined capital allocation and strong financial resilience.”

CA Mikdad Saleem Merchant | Executive Director & Chief-Financial Officer

From CFO's Desk

FY26 marked a strong year of financial performance for Safe Enterprises, reflecting disciplined execution and improved operating leverage.

Revenue from operations increased to ₹218.42 crore, representing strong year-on-year growth. EBITDA grew to ₹79.09 crore, while Profit After Tax reached ₹63.86 crore, with both profitability metrics outpacing revenue growth.

We remain focused on maintaining a healthy balance between growth investments and capital discipline. Our manufacturing expansion initiatives are being pursued with a clear focus on long-term returns, operational efficiency, and shareholder value creation.

Going forward, we remain confident in our ability to sustain profitable growth while preserving financial strength.

Shop Fitting System SNAPTRAX FIT N LIGHT

With innovations in retail formats like shared spaces and pop ups where store formats are evolving there's a need for both speed and fluidity in store construction

Here's SNAPTRAX Fit N Light the latest in shop fitting innovation from INSYNC.

A double edged solution to cut your store construction efforts. The unique construction allows the tracks to be mounted on a wall, a substructure or a vertical panel fitted on the side.

The SNAPTRAX Shop fitting solution is built around a combination of 2 uniquely designed electrified tracks "EDGE" and "TWIN", both these tracks are designed to be used IN SYNC with each other or can be used individually.

Allowing retail designers a wide spectrum of merchandise presentation possibilities.

SNAPTRAX specialise in the quick and easy construction of Cabinet, Niches, Portals and Alcoves.

FIT. FLEX. FLOW.

SNAPTRAX Fit N Light combines speed, flexibility and intelligent space utilisation to create retail environments that can adapt as quickly as the merchandise within them.

LIQUOR STORE

A sleek, modular system designed for efficient merchandising, quick installation and seamless adaptation across formats.

FOOTWEAR

Flexible display configurations that make every inch count, while allowing merchandise to evolve with changing collections.

Smart, adaptable systems that simplify installation and create fluid, space-efficient retail environments.

Shop Fitting System **SYNTRACK**

Our Company has engineered 5 bold yet sophisticated shop fitting into one ecosystem with a laser focus to optimise space productivity. With Syntrack and its unique Intersync technology, one fixture can translate into infinite possibilities. Planograms now have a whole new dimension. The Syntrack shop fittings can be mounted over walls, pillars, glass, wood as well as masonry to design fascinating displays. No matter what the base the shopfit will adapt and let you explore a myriad of merchandise segmentation and display formats.

Intersync Technology

The patent applied 'Intersync Technology' invented by our company, allows the syntrack range of accessories to be used in multiple structural profile designs, namely Syntrack channel & Syntrack Uprights.

A unique hooking system called adaptors is developed corresponding to each profile, both these adaptors are designed to mount a universal adaptor plate. All accessories fitted with Syntrack adaptor plates can be used in all Syntrack profile using the adaptors.

This feature allows a designer high level of flexibility to use the most suitable Syntrack structural profile to design the store's shop fittings

Shop Fitting System

VIBE

Vibe brings the focus to the merchandise with a perfect balance of sophistication and colour. Creating retail environments where the focus is squarely on the merchandise. The tracks are created with neutral and timeless shades like Satin ,Aluminium and Black which do not reflect light. With the unique mechanism of coloured insert strips, Vibe is a way to explore endless possibilities of retail themes. The vibrant coloured strips have been creatively integrated into the Aluminium tracks which sit neatly onto the walls. This allows an ingenious use of coloured strips that add a dash of colourful elegance to every space.

VIBRANT. VIVID. VERSATILE.

Engineered to blend vibrant colour accents with premium merchandising systems that enhance visibility, elevate aesthetics and enrich the in-store experience.

Shop Fitting System **INHANCE**

Just imagine a display fixture could simply be hung onto the walls like picture frames! Yes, now starting a retail store just got that simple with our Inhance shop fitting solution. The Inhance tracks are aluminum profiles designed to be inlayed into 18 mm grooved wooden boards and are visible only as a shadow line that merges into the background. This ensures the highest visibility for the merchandise and an almost invisible visual signature for the engineering.

DISPLAY. ELEVATE. IMPRESS

Thoughtfully engineered display systems that enhance product visibility, enrich customer experiences and elevate every retail environment.

FOOTWEAR

Premium display solutions that showcase every step in style.

ETHNICWEAR

Shop Fitting System MICROSLAT

The Micro Slat is an evolution of the traditional Slat-wall system with slimmer profiles and trimmer accessories to fit a multitude of different retail application. It is a horizontal support system for light to medium weight merchandise. Profiles are discernible merely as a narrow 4 millimetre slit in the wall, lending a seamless character to the product display. The Micro Slat light weight accessories are fitted with beautifully crafted adaptor, which lends it a Next Gen Air. While accessories like shelf bracket & front out arms are backed with solid adaptor plates for even load bearing. They are available as easy to install panels which can be hung onto the wall as easily as a photo frame or you can create a host of Mid Floor Units.

Shop Fitting System SAFE CLASSIC

Safe Classic is the original shopfitting system that laid the foundation for Safe Enterprises' legacy in modern retail. Engineered for reliability, versatility, and long-term performance, it offers a comprehensive range of display fixtures designed to meet the evolving needs of fashion, lifestyle, supermarket, and specialty retail formats. With proven durability, modular flexibility, and decades of trusted market presence, Safe Classic continues to be the preferred choice for retailers seeking dependable merchandising solutions.

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following Statement sets out all material facts relating to the business mentioned under Item Nos. 3, 4 and 5 of the accompanying Notice.

Item 3. Regularization of Additional Director Ms. Preeti Ajit Gogate (DIN: 11775218) as Independent Director of the Company

The Board of Directors, based on the recommendation of the Nomination and Remuneration Committee (NRC), appointed Ms. Preeti Ajit Gogate (DIN: 11775218) as an Additional Director (Non-Executive & Independent) of the Company with effect from May 18, 2026, pursuant to Section 161(1) of the Companies Act, 2013. In terms of the provisions of the said Act, Ms. Preeti Ajit Gogate holds office up to the date of this Annual General Meeting (AGM) and is eligible for appointment.

The Company has received a notice in writing from a member under Section 160 of the Companies Act, 2013, proposing the candidature of Ms. Preeti Ajit Gogate for the office of Independent Director of the Company.

The Company has also received from Ms. Preeti Ajit Gogate:

1. Consent to act as a Director in Form DIR-2 pursuant to Rule 8 of Companies (Appointment & Qualification of Directors) Rules, 2014.
2. Intimation in Form DIR-8 pursuant to Rule 14 of Companies (Appointment & Qualification of Directors) Rules, 2014, confirming she is not disqualified under Section 164(2) of the Act.
3. A declaration confirming that she meets the criteria of independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (LODR) Regulations, 2015.

Ms. Preeti Ajit Gogate was previously associated with M/s. Inscite Advisory Services LLP (currently M/s. Inscite Advisory Services Private Limited), a subsidiary of the Company, from November 2017 to October 2022. Since her association ceased more than three financial years prior to the proposed appointment, she continues to satisfy the strict criteria of independence under Section 149(6) of the Act and applicable SEBI regulations. In the opinion of the Board, she fulfills the conditions specified in the Act and the Rules made thereunder for her appointment as an Independent Director and she is independent of the management.

Given her extensive experience in finance, audit, internal controls, taxation, risk management, and corporate compliance, her association would be highly beneficial to the Company. The Board recommends the Ordinary Resolution as set out at Item No. 3 of the Notice for approval by the members.

Additional information in respect of Ms. Preeti Ajit Gogate, pursuant to Regulation 36 of the Listing Regulations and the Secretarial Standard on General Meetings (SS-2), is given at Annexure-I to this Notice.

Except Ms. Preeti Ajit Gogate, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution. The Board recommends the Resolution set out at Item No. 3 of the Notice for approval by the members as Special Resolution.

Item 4. Appointment of Secretarial Auditor

C. MEETING OF INDEPENDENT DIRECTORS

Schedule IV of the Companies Act, 2013 and the Rules thereunder mandate that the independent directors of the Company shall hold at least one meeting in a financial year, without the attendance of non-independent directors and members of the Management. During the year under review, the Independent Directors met on October 1, 2025 inter alia, to:

- i. Review the performance of the Non- Independent Directors and the Board of Directors as a whole.
- ii. Review the performance of the Chairman of the Company, taking into the account of the views of the Executive and Non- Executive Directors.
- iii. Assess the quality, content and timeliness of flow of information between the management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

D. GENERAL MEETINGS

1st Annual General Meeting of the Company was held on June 4, 2025.

29. FORMAL ANNUAL EVALUATION

Pursuant to the provisions of the Companies Act, 2013 the Nomination and Remuneration Committee has laid down the evaluation of the performance of Individual Directors and the Board as a whole. The Board assessed its collective performance on criteria including governance efficacy, strategy execution, and operational oversight. Sub-committees were evaluated based on their performance against assigned Terms of Reference and statutory timelines. Individual directors, including the Chairman, were assessed on attendance, active participation, and constructive contributions to board deliberations. Additionally, the Independent Directors held a separate meeting to evaluate the performance of Non-Independent Directors and the Board as a whole. The Board expressed complete satisfaction with the evaluation results.

30. FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS

In compliance with Regulation 25(7) of the SEBI (LODR) Regulations, 2015, the Company conducts structured familiarisation programmes for Independent Directors. These initiatives focus on onboarding new directors, detailing their roles, rights, and responsibilities, and updating them on the Company's business model, manufacturing operations at our facilities, and industry dynamics. Periodic briefings are provided on statutory updates, governance frameworks, and strategic expansion plans to ensure informed board participation.

The details of the familiarisation programmes are uploaded on the Company's website here:

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

For The Financial Year Ended 31st March 2026

(Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To

The Members,

SAFE ENTERPRISES RETAIL FIXTURES LIMITED

Plot No D 372, TTC MIDC Ind. Area MIDC Kukshet Village
Sanpada, Thane, Maharashtra, India, 400703

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s SAFE ENTERPRISES RETAIL FIXTURES LIMITED** (CIN: L46493MH2024PLC429137) (hereinafter called the “company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31st, 2026 (“Audit Period”) complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have also examined the following with respect to the new amendment issued vide SEBI Circular number CIR/CFD/CMD1/27/2019 dated 8th February 2019 (Regulation 24A of SEBI(LODR) Regulations 2015).

- (a) all the documents and records made available to us and explanation provided by the Company,
- (b) the filings/submissions made by the Listed Entity to the Stock Exchanges,
- (c) website of the listed entity,
- (d) books, papers, minute books, forms and returns filed with the Ministry of Corporate Affairs and other records maintained by the Company for the financial year ended on March 31st, 2026 according to the provisions as applicable to the Company during the Audit Period and subject to the reporting made hereinafter and in respect of all statutory provisions listed hereunder:

i. The Companies Act, 2013 (the Act) and the Rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;

iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;

iv. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable as the Equity Shares of the Company are listed on the SME Platform of the National Stock Exchange Limited:

(a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time;

(b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 as amended from time to time;

(c) The Securities and Exchange Board of India (Prohibition of Insider Trading Regulations, 2015 as amended from time to time;

(d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended from time to time;

Further, I have also examined compliance with the applicable clauses of the following:

i. Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Board and General Meetings.

ii. The Listing Agreements entered into by the Company with the SME Emerge platform of National Stock Exchange of India Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To the best of my knowledge and belief, during the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except for the following instance:

NSE imposed a fine of Rs. 5,000/- on the Company for the Half-Year Ended 30-Sep-2025 under Regulation 23(9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for delayed submission by one day.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors or changes in Key Managerial Personnel that took place during the Audit Period were carried out in compliance with the provisions of the Act.

During the year under review following were the changes that took place in Board of Directors:

Sr. No.	Name of Director/ KMP	Designation	Type of Change	Date of Change
1	Mr. Huzefa Saleem Merchant	Chief Executive Officer (CEO)	Appointment	18th September, 2025
2	Mrs. Seema Shashank Mhatre	Independent Director	Resignation	27th February, 2026

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance (and by complying with prescribed procedure where the meetings are called with less than seven days' notice), and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board Meetings and Committee Meetings are carried out unanimously, as recorded in the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that there were no actions/events in the pursuance of:

MANAGEMENT DISCUSSION AND ANALYSIS

Forward-Looking Statement

The Management Discussion and Analysis ("MD&A") contains certain statements describing the Company's objectives, projections, estimates, expectations, or predictions, which may be forward-looking statements within the meaning of applicable securities laws and regulations. Actual results may differ materially from those expressed or implied due to various factors including economic conditions, regulatory developments, competition, raw material prices, customer spending patterns, and other incidental factors beyond the control of the Company. Readers are cautioned not to place undue reliance on such forward-looking statements.

1. Industry Overview

India's retail sector continues to be one of the fastest-growing large consumer markets globally, supported by favorable demographics, rising disposable incomes, rapid urbanization, increasing premiumization, and expansion of organized retail formats. Retail contributes over 10% to India's GDP and employs more than 35 million people, making it a major economic driver.

The structural transition from unorganized to organized retail remains one of the most significant long-term trends in the Indian economy. Large-format retailers, specialty chains, direct-to-consumer brands, and global brands are increasingly investing in experiential retail formats to strengthen customer engagement and brand visibility.

The Indian retail market is expected to grow from USD 779 billion in 2019 to USD 1.6 trillion by 2030, registering a CAGR of ~6.8%.

Source: IBEF Retail industry report

Several macro trends are shaping demand in the retail infrastructure ecosystem:

Growth in Organized Retail

Organized retail penetration in India remains relatively low compared to developed markets, providing substantial headroom for expansion. However, the organised retail share is rising, projected to increase from 12% in 2022 to 17% by 2030, (~USD 272 billion) driven by urbanisation, policy support, and digital adoption. Domestic chains and international brands continue aggressive store rollouts across metros and Tier II/III cities.

Global Retail Tailwinds

Global retail is undergoing a structural transformation, driven by organised retail expansion, evolving consumer behaviour and technology adoption. This is creating sustained demand for modern store infrastructure, shopfitting and retail automation solutions.

Rise of Phygital Retail

The convergence of physical and digital retail is accelerating. Consumers increasingly expect seamless transitions between online and offline journeys. This trend is creating strong demand for smart fixtures integrated with:

- RFID
- Digital displays
- AI-powered engagement
- Smart checkout systems
- IoT-enabled merchandising

Refurbishment Opportunity

As retail chains mature, refurbishment cycles are becoming predictable. Existing stores require redesigns every 3-4 years to remain relevant, creating recurring revenue opportunities for fixture companies.

The Company believes these structural trends create a long runway for sustained growth in the retail fixtures industry.

2. Business Overview

Safe Enterprises Retail Fixtures Limited (“SERFL” or “the Company”) is one of India’s pioneering organized retail fixture and shopfitting solution providers. Established in 1976, the Company has evolved from a conventional fixture manufacturer into an integrated retail solutions provider specializing in design, manufacturing, installation, and technology-enabled shopfitting systems.

Over nearly five decades, the Company has developed deep expertise in retail space engineering and has executed more than 50,000+ projects across multiple retail formats.

The Company operates through a fully vertically integrated business model, covering the entire value chain from design and engineering, product development, metal fabrication, and wood processing to assembly, supply chain management, site installation, and after-sales support. This end-to-end integration enables the Company to maintain stronger control over every stage of execution, ensuring superior quality, optimized lead times, cost efficiency, scalability, and an enhanced customer experience.

At the core of the Company’s operating philosophy is the principle of “**Standardized Engineering, Customizable Skins.**” This approach allows clients to rapidly deploy highly customized retail environments while leveraging standardized modular engineered components. By combining flexibility in design with efficiency in execution, the Company creates a strong competitive advantage through faster store rollouts, lower redesign costs, greater product consistency, and superior scalability for clients expanding across multiple locations.

3. Key Business Segments

The Company derives revenue from two major business streams

A. New Store Rollout Business

B. Refurbishment / Additions Business

A. New Store Rollout Business

This segment includes fixture manufacturing and store fit-outs for greenfield retail expansion.

- Retail chains expanding into new geographies require:
- Complete fixture packages
- Layout planning
- Display solutions
- Installation

This remains the Company’s primary revenue driver.

During FY26, new store revenue contributed 68.9% of total revenue, reflecting continued strong expansion by organized retail customers.

B. Refurbishment / Additions Business

This segment includes:

- Store remodeling
- Fixture replacement
- Additional display installations
- Layout redesign

This business provides recurring revenue and improves earnings stability.

Refurbishment and additions contributed **24.8%** of FY26 revenue, highlighting the strength of the Company’s repeat business model.

Management believes this segment will continue growing as client store networks mature.

4. Technology and Innovation

Innovation remains central to SERFL’s growth strategy.

Through the INSYNC Shopfittings platform, the Company has developed advanced modular fixture systems combining engineering, design, and technology.

Key innovation metrics include:

3,000+

standardized components

17

registered designs

5,000+

hours of research

15,000+

hours of development

The Company’s smart fixture portfolio integrates:

- LED illumination
- IoT devices
- Digital interfaces
- Sensor-enabled components
- AI-driven customer engagement

This positions the Company as a leading player in future-ready retail infrastructure.

New Product Launches in FY26

THE WAVE

THE WAVE is the company's RFID-based self-checkout solution, designed to transform the in-store billing experience by enabling customers to place products into a smart basket for seamless automated checkout. By minimizing manual intervention in the billing process, the solution significantly enhances store efficiency while improving the overall shopping experience. The platform delivers multiple benefits, including reduced billing queues, faster checkout times, improved customer convenience, and lower dependency on manpower, making it particularly relevant for modern high-footfall retail environments. With WAVE , Safe Enterprises has entered ~USD 30 bn+ Global Retail Automation Market .

EVOLV

EVOLV is an electrified modular track system for home interiors, representing the Company's strategic expansion beyond traditional retail fixtures. Leveraging its strong expertise in modular engineering and scalable design systems, the Company has extended its capabilities into home interiors, lifestyle spaces, and residential modular installations. Through EVOLV, the Company is broadening its addressable market and unlocking new growth opportunities beyond retail, while continuing to capitalize on its core strengths in engineered modular solutions. With EVOLV , Safe Enterprises has entered ~USD 800 bn+ Global Home Furnishings Market.

5. Operational Performance

FY26 was a transformational year for Safe Enterprises, characterized by strong execution, strategic capacity expansion, and continued product innovation. During the year, the Company successfully executed 425 stores, reflecting its robust operational capabilities and ability to deliver at scale across diverse client requirements. The Company also witnessed a significant increase in average revenue per store, driven by higher value realization and deeper customer engagement.

Growth during the year was supported by strong repeat business from existing customers, increased adoption of higher-value fixtures, and continued expansion of relationships with marquee clients. The Company further benefited from favorable industry and customer trends, including larger store formats, higher fixture density, a premium product mix, and increased adoption of smart fixtures. As a result, average realization per store improved materially, demonstrating the Company's stronger value capture and reinforcing its ability to drive sustainable, high-quality growth.

7. Manufacturing and Capacity Expansion

Pune Expansion

During FY26, the Pune facility was expanded by 46,505 sq. ft., strengthening manufacturing throughput and improving production flexibility.

This expansion helps support rising order inflow.

Key highlights:

Total plant area: ~1,80,000 sq. ft.

Manufacturing facility area: 96,505 sq. ft.

Ambernath Mega Facility

Construction of the Company's flagship integrated manufacturing plant at Ambernath is progressing as planned.

Key highlights:

Total plant area: ~350,000 sq. ft.

Manufacturing facility area: 250,000+ sq. ft.

Expected completion: December 2026

Proposed Ambernath plant visuals

This facility will consolidate multiple manufacturing operations into a single integrated campus.

Expected benefits include:

- Higher production capacity
- Reduced logistics costs
- Better workflow integration
- Lower turnaround time
- Improved automation
- Greater scalability

The plant is expected to materially increase the Company's execution capabilities and support long-term growth.

8. Risks and Concerns

While the Company is well-positioned, certain risks remain:

Dependence on Retail Expansion

Slowdown in retail capex may affect new store rollout demand.

Raw Material Volatility

Steel, aluminum, laminates, and wood prices may impact margins.

Customer Concentration

Revenue concentration among large clients may pose risks.

Execution Risk

Large projects require flawless coordination and logistics.

Capex Execution Risk

Delays in Ambernath commissioning could defer capacity benefits.

Economic Slowdowns

Consumer demand softness can affect store expansion plans.

Management continuously monitors these risks and has mitigation strategies in place

9. Human Capital

Employees remain at the heart of SERFL's success and continue to be a key driver of the Company's operational excellence and long-term growth. The Company's diverse workforce spans critical functions including design, engineering, manufacturing, installation, finance, sales, technology, and management, enabling seamless collaboration across the entire value chain. This cross-functional expertise strengthens SERFL's ability to deliver high-quality, customized solutions with speed and consistency.

600+

Employee Count

(includes all the on-roll and contractual employees on a consolidated basis.)

SERFL remains committed to building a future-ready organization by continuously investing in its people through focused initiatives around skill development, workplace safety, productivity enhancement, employee retention, and fostering a high-performance culture. The Company emphasizes continuous learning, operational discipline, and employee engagement to ensure its teams remain aligned with evolving industry requirements and business objectives. As SERFL scales its operations and expands into new growth areas, it continues to invest in talent and leadership capabilities that will support sustainable growth and innovation.

10. Outlook

Management remains optimistic about the Company's long-term growth outlook, supported by favorable structural shifts within the Indian retail industry. The sector is entering a significant expansion phase, driven by the continued growth of organized retail, accelerated store expansion, increasing premiumization of consumer offerings, omni-channel integration, experience-led store formats, and rising technology adoption. These evolving market dynamics are reshaping retail infrastructure requirements and creating strong demand for innovative, scalable, and high-quality store solutions.

Growth drivers for the coming years include:

Capacity Expansion

The commissioning of the Company's Ambernath manufacturing facility is expected to be a major growth catalyst, significantly enhancing production capacity and operational efficiency. The new plant will enable large-scale manufacturing, improved workflow optimization, and better consolidation of existing operations. With higher available capacity, SERFL will be better positioned to execute larger order volumes, reduce turnaround times, and cater to the growing requirements of marquee clients. This expansion also provides sufficient headroom to support long-term revenue growth without proportionate increases in fixed costs.

Product Innovation

SERFL continues to focus on innovation-led growth by developing smart fixtures, automation-enabled retail solutions, and technology-integrated store infrastructure. As retailers increasingly adopt data-driven and efficiency-focused operating models, demand for intelligent fixtures and automated solutions is expected to rise significantly. Products such as THE WAVE, the Company's RFID-based self-checkout solution, position SERFL to capture high-value opportunities at the intersection of retail infrastructure and technology, while strengthening its value proposition beyond traditional fixtures.

Recurring Revenue Growth

The Company's refurbishment and replacement business continues to emerge as a strong recurring revenue stream. As retail chains periodically upgrade store formats, refresh layouts, and replace aging fixtures to maintain customer appeal, SERFL benefits from repeat business from its existing client base.

This segment provides greater revenue visibility, improves customer stickiness, and creates a more stable revenue mix alongside new store installations

With organized retail expansion accelerating, management expects refurbishment-led revenues to continue growing steadily over the coming years.

Adjacent Market Entry

Through EVOLV, its electrified modular track system, SERFL is strategically expanding into home interiors, lifestyle spaces, and residential modular installations, significantly broadening its addressable market beyond retail. The Indian home interiors and modular furniture market is estimated at approximately ₹1.8–2.2 lakh crore (USD 22–27 billion) and is expected to grow at a strong CAGR driven by rising urbanization, premium housing demand, and increasing consumer preference for modular living solutions.

In addition, SERFL's technology offerings such as RFID-enabled retail solutions open opportunities in the rapidly growing global RFID market, which is estimated at approximately USD 18–20 billion, while the retail RFID solutions segment alone is estimated at USD 4–5 billion and expanding rapidly with increasing adoption of smart checkout, inventory tracking, and loss prevention systems. These adjacent opportunities provide SERFL access to large, high-growth markets with significant long-term monetization potential.

Global Expansion

SERFL also sees meaningful long-term opportunities in international markets, particularly in regions witnessing rapid retail infrastructure development such as the Middle East, Southeast Asia, and Africa. The Company's scalable manufacturing capabilities, modular engineering expertise, and ability to deliver customized solutions position it well to serve global clients seeking cost-efficient, high-quality store infrastructure. As global brands continue expanding across emerging markets, SERFL aims to leverage its strong execution capabilities and technology-led offerings to build a larger international presence and diversify revenue streams geographically.

Conclusion

FY26 marked a defining year in Safe Enterprises' journey as a listed company. The Company delivered strong revenue growth, improved margins, expanded capacity, and launched innovative new products, reinforcing its position as a leading retail fixture solutions provider.

Safe Enterprises is well placed to participate in the next phase of India's retail transformation and create enduring value for shareholders.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and its cash flows for the year ended on that date

Basis for opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Holding Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective management of the companies included in the Group is responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

1. Consolidated Financial Statements have been made by incorporating the figures using line by line basis of the following entities:

Sr. No.	Name of the Company	Relationship	% of Investment in the Company
1	Safe Enterprises Retail Technologies Private Limited	Subsidiary Company	94.26%
2	Inscite Advisory Services Private Limited	Subsidiary Company	99.97%

2. We did not audit the Financial Statements of both the Subsidiaries, Safe Enterprises Retail Technologies Private Limited and Inscite Advisory Services Private Limited included in the Consolidated Financial Statements; whose Financial Statements include total assets of Rs. 4,721.79 Lakhs and Rs. 78.59 lakhs respectively as at March 31, 2026 and total revenues of Rs. 5,368.53 Lakhs and Rs. 184.13 Lakhs respectively (including inter group transactions) for the year ended on that date. These Financial Statement have been Audited by other Auditors whose Audit Reports has been furnished to us by the Parent Company's Management and our conclusion on the Statement, in so far relates to the amount and disclosure included in respect of Subsidiary, is based on the report of the Auditors and our opinion is also based solely on the Report of such other Auditors.

3. Our opinion is not modified in respect of above specified matters.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

iii. The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.

iv. In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021, as amended.

v. On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Consolidated financial Statements.

vii. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

viii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

1. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements – Refer Note 30 to the Consolidated financial statements.

2. The Group did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

3. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the company.

4. (a) The respective Managements of the companies included in the Group have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the Consolidated Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiaries to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or its subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Managements of the companies included in the Group have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the Consolidated Financial Statements, no funds have been received by the Holding Company or its subsidiaries from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiaries shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances by us and that performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

1. The company has not declared or paid any dividend during the year.

2. Based on our examination and the reports of the respective auditors of the subsidiaries incorporated in India, the Holding Company and its subsidiary, Safe Enterprises Retail Technologies Private Limited, have used accounting software for maintaining their books of account which has an audit trail (edit log) feature and the same was operated throughout the year as required under Rule 3(1) of the Companies (Accounts) Rules, 2014. Further, as reported by the auditor of Inscite Advisory Services Private Limited, the said subsidiary has maintained its books of account using accounting software that does not have an audit trail (edit log) feature.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial controls of SAFE ENTERPRISES RETAIL FIXTURES LIMITED (“the Holding Company”) as of March 31, 2026 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date

Management’s Responsibility for Internal Financial Controls

The Holding Company’s management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists

and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated financial Statements and their operating effectiveness.

The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls with reference to financial statements

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company’s internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Consolidated Financial Statements

Because of the inherent limitations of internal financial controls Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at March 31, 2026. This is based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Further, based on the report of the respective auditor, Safe Enterprises Retail Technologies Private Limited, a subsidiary, has, in all material respects, an adequate internal financial controls system over financial reporting and such controls were operating effectively as at March 31, 2026.

Reporting on internal financial controls over financial reporting under Section 143(3)(i) of the Companies Act, 2013 is not applicable to Inscite Advisory Services Private Limited, a subsidiary included in the consolidated financial statements, as it does not meet the prescribed threshold limits.

SUMMARY STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES & NOTES TO FINANCIAL INFORMATION

COMPANY OVERVIEW

SAFE ENTERPRISES RETAIL FIXTURES LIMITED has been formed by conversion of a partnership firm i.e. “M/s Safe Enterprises” (referred as erstwhile partnership firm), under the provisions of Companies Act, 2013. The Registered office of the Company is situated at Plot no. D 372, TTC MIDC, Ind. area MIDC Kukshet Vi, Sanpada, Thane, Thane, Maharashtra, India, 400703. The Company is in the business of of designing, manufacturing, supplying and installation of shop fittings and retail fixtures, offering a wide range of customized in-store solutions across multiple retail segments such as fashion & apparels, electronics, departmental store etc.

I. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS:

The Balance Sheet as at March 31, 2026, and, the Statements of Profit and Loss for the period ended March 31, 2026, the Cash Flow Statement for the period ended March 31, 2026, , the Summary Statement of Material Accounting Policies, the Notes and Annexures as forming part of these Financial Statements (collectively, the “Financial Information”), as approved by the Board of Directors of the company.

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 (“the Act”) read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act.

The accounting policies adopted in the preparation of financial statements have been consistently applied. All assets and liabilities have been classified as current or non-current as per the company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time difference between the provision of services and realization of cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

B. USE OF ESTIMATES

The preparation of financial statements is in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period.

Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

C. BASIS FOR CONSOLIDATION

The Company consolidates the financial statements of the subsidiary on a line-by-line basis. This includes the recognition of all assets, liabilities, income, and expenses of the subsidiary, with corresponding adjustments for non-controlling interests, if any. All intra-group balances, transactions, income, and expenses are fully eliminated upon consolidation to present the financial statements of the Group as those of a single economic entity.

The Consolidated Financial Statements Includes financial information of following entities:

Particulars	% of Holding
<u>Indian Subsidiaries:</u>	
Safe Enterprises Retail Technologies Private Limited	94.26%
Inscite Advisory Services Private Limited	99.97%

During the period, the legal status of Inscite Advisory Private Limited, a subsidiary of the Company, was changed from a Limited Liability Partnership (LLP) to a Private Limited Company effective 18 March 2026.

For the purpose of consolidation, the figures of both the LLP and the Private Limited Company have been considered in the consolidated Statement of Profit and Loss. Upon conversion, the balances of the LLP were adjusted towards share capital to the extent applicable and the remaining balance was transferred to the loan account.

D. ACCOUNTING CONVENTION

The Company follows the mercantile system of accounting, recognizing income and expenditure on accrual basis. The accounts are prepared on historical cost basis and as a going concern. Accounting policies not referred to specifically otherwise, are consistent with the generally accepted accounting principles.

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sales of goods are recognized on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Income from Services is recognized on an accrual basis when it is earned and the right to receive payment is reasonably assured.

Interest Income is Recognized on a time proportion basis taking into account the amount outstanding and the rate applicable i.e. on the basis of matching concept.

2 Property, Plant and Equipment and Intangible Assets

i. Property, Plant & Equipment :

a) Property, Plant and Equipment Intangible Assets are stated as per Cost Model i.e., at cost less accumulated depreciation and impairment, if any; Costs directly attributable to acquisition are capitalized until the Property, Plant and Equipment and Intangible Assets are ready for use, as intended by the management;

b) Subsequent expenditures relating to Property, Plant and Equipment and Intangible Assets are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs & maintenance costs are recognized in the Statement of profit & Loss when incurred;

c) The cost and related accumulated depreciated are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit or Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell;

d) Depreciation on fixed assets will be calculated using the Straight Line Method (SLM) method, which involves applying depreciation rates prescribed under Schedule II to the Companies Act 2013. to the carrying amount of the asset. The carrying amount is reduced each year by the amount of depreciation charged.

f) Depreciation methods, useful lives, and residual values are reviewed periodically, including at each financial year end;

ii. Intangible assets :

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/ depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalised. Depreciation on Intangible assets is calculated on Written down value method.

3 .Capital Work in Progress

Projects under which assets are not ready for their intended use are disclosed under Capital Work-in-progress. Property, Plant and Equipment under construction or installation, included in capital work-in-progress are not depreciated.

4 .Impairment

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

5. Inventories

Raw material, Work in Progress and finished goods :

Raw Materials -Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out (FIFO) basis.

Finished goods and Work in progress are valued at the lower of cost and net realisable value. Cost is determined on First in First out (FIFO) basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

6.Foreign Exchange Transactions

All transactions in foreign currency are recorded at the rates of exchange prevailing at the date of transaction. Any gain/loss on account of the fluctuation in the rate of exchange is recognized in the statement of

Monetary items in the form of Loans, Current Assets and Current Liabilities in foreign currencies outstanding at the close of the year are converted in Indian currency at the appropriate rates of exchange prevailing on the date of Balance Sheet. Resultant gain or loss on account of the fluctuation in the rate of exchange is recognized in the statement of Profit and Loss.

7.Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

8.Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of that asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. Costs incurred in raising funds are amortized equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

9.Income Tax

The accounting treatment for the Income Tax in respect of the Company's income is based on the Accounting Standard on 'Accounting for Taxes on Income' (AS-22). The provision made for Income Tax in Accounts comprises both, the current tax and deferred tax. Provision for Current Tax is made on the assessable Income Tax rate applicable to the relevant assessment year after considering various deductions available under the Income Tax Act, 1961.

Deferred tax is recognized for all timing differences; being the differences between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. The carrying amount of deferred tax asset/liability is reviewed at each Balance Sheet date and consequential adjustments are carried out.

10.Earnings Per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

11.Provisions and Contingent Liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the likely future outflow of economic benefits required to settle the obligation at the reporting date.

Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

12.Cash and Cash Equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

13. Investments

Investment which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

14. Government Grants and Subsidies

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognised as income over the life of a depreciable asset by way of a reduced depreciation charge.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.

15. Contingencies and events occurring after the Balance Sheet date

Events that occur between balance sheet date and date on which these are approved, might suggest the requirement for an adjustment(s) to the assets and the liabilities as at balance sheet date or might need disclosure. Adjustments are required to assets and liabilities for events which occur after balance sheet date which offer added information substantially affecting the determination of the amounts which relates to the conditions that existed at balance sheet date.

16. Related Party Transactions

Related parties as defined under Accounting Standard - 18 'Related Party Disclosures' have been identified based on representations made by management and information available with the Company. All transactions with related parties are in the ordinary course of business and on arms' length basis.

17..Leases

The company has taken Office & factory on lease and classified as an Operating lease and lease rentals are recognized in profit of loss account as per lease terms.

18. Segment Reporting

As per As -17 Segment Reporting is not applicable to the company for the reporting period.

19.Employee Benefits

Defined-contribution plans:

All short-term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

The Company's contribution to Provident Fund is determined based on a fixed percentage of the eligible employees' salary and charged to the Statement of Profit and Loss on accrual basis.

The Company has made provision for payment of Gratuity to its employees. This Provision is made as per the method prescribed under the Payment of Gratuity Act. The cost of providing gratuity under this plan is determined on the basis of actuarial valuation at year/period end. The company has unfunded gratuity plan. INDEPENDENT AUDITOR'S REPORT

To

The Members of SAFE ENTERPRISES RETAIL FIXTURES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements SAFE ENTERPRISES RETAIL FIXTURES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report thereon

The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information-

-but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Other Matter

The Company was converted from a partnership firm into a company on July 21, 2024. Accordingly, the comparative financial information for the previous year covers the period from July 21, 2024 to March 31, 2025 and is not for a full financial year. Therefore, the current year's financial results, ratios and other comparative information may not be directly comparable with those of the previous period.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

b) The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.

c) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021, as amended.

d) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

e) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone financial Statements.

f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements – Refer Note 27 to the Standalone financial statements;

ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the company.

iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log). The said feature was operational for the financial year ended March 31, 2026, for all relevant transactions recorded in the software, as required by the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, applicable from April 1, 2023.

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial controls of SAFE ENTERPRISES RETAIL FIXTURES LIMITED (“the Company”) as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Standalone financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone financial Statements and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company’s internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Standalone Financial Statements

Because of the inherent limitations of internal financial controls Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls Standalone Financial Statements to future periods are subject to the risk that the internal financial control Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system Standalone Financial Statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ii. There has been no resignation of the statutory auditors of the Company during the year.

iii. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

iv. (a) In respect of ongoing projects, the Company had an unspent Corporate Social Responsibility (CSR) amount as at March 31, 2026. The Company has transferred such unspent amount to the Unspent Corporate Social Responsibility Account within the time prescribed under Section 135(6) of the Companies Act, 2013.

(b) There were no amounts remaining unspent under Section 135(5) of the Companies Act, 2013 in respect of other than ongoing projects. Accordingly, reporting under clause 3(xx)(a) of the Companies (Auditor's Report) Order, 2020 is not applicable.

SUMMARY STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES & NOTES TO FINANCIAL INFORMATION

COMPANY OVERVIEW

SAFE ENTERPRISES RETAIL FIXTURES LIMITED has been formed by conversion of a partnership firm i.e. “M/s Safe Enterprises” (referred as erstwhile partnership firm), under the provisions of Companies Act, 2013. The Registered office of the Company is situated at Plot no. D 372, TTC MIDC, Ind. area MIDC Kukshet Vi, Sanpada, Thane, Thane, Maharashtra, India, 400703. The Company is in the business of of designing, manufacturing, supplying and installation of shop fittings and retail fixtures, offering a wide range of customized in-store solutions across multiple retail segments such as fashion & apparels, electronics, departmental store etc.

I. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PREPARATION OF STANDALONE FINANCIAL STATEMENTS:

The Balance Sheet as at March 31, 2026, and, the Statements of Profit and Loss for the period ended March 31, 2026, the Cash Flow Statement for the period ended March 31, 2026, , the Summary Statement of Material Accounting Policies, the Notes and Annexures as forming part of these Financial Statements (collectively, the “Financial Information”), as approved by the Board of Directors of the company.

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 (‘the Act’) read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act.

The accounting policies adopted in the preparation of financial statements have been consistently applied. All assets and liabilities have been classified as current or non-current as per the company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time difference between the provision of services and realization of cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

B. USE OF ESTIMATES

The preparation of financial statements is in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period.

Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

C. ACCOUNTING CONVENTION

The Company follows the mercantile system of accounting, recognizing income and expenditure on accrual basis. The accounts are prepared on historical cost basis and as a going concern. Accounting policies not referred to specifically otherwise, are consistent with the generally accepted accounting principles.

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1.Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sales of goods are recognized on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Income from Services is recognized on an accrual basis when it is earned and the right to receive payment is reasonably assured.

Interest Income is Recognized on a time proportion basis taking into account the amount outstanding and the rate applicable i.e. on the basis of matching concept.

2 Property, Plant and Equipment and Intangible Assets

i. Property, Plant & Equipment :

a) Property, Plant and Equipment Intangible Assets are stated as per Cost Model i.e., at cost less accumulated depreciation and impairment, if any; Costs directly attributable to acquisition are capitalized until the Property, Plant and Equipment and Intangible Assets are ready for use, as intended by the management;

b) Subsequent expenditures relating to Property, Plant and Equipment and Intangible Assets are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs & maintenance costs are recognized in the Statement of profit & Loss when incurred;

c) The cost and related accumulated depreciated are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit or Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell;

d) Depreciation on fixed assets will be calculated using the Straight Line Method (SLM) method, which involves applying depreciation rates prescribed under Schedule II to the Companies Act 2013. to the carrying amount of the asset. The carrying amount is reduced each year by the amount of depreciation charged.

f) Depreciation methods, useful lives, and residual values are reviewed periodically, including at each financial year end;

ii. Intangible assets :

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/ depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalised. Depreciation on Intangible assets is calculated on Written down value method.

3.Capital Work in Progress

Projects under which assets are not ready for their intended use are disclosed under Capital Work-in-progress. Property, Plant and Equipment under construction or installation, included in capital work-in-progress are not depreciated.

4.Impairment

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal.

An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

5. Inventories

Raw material, Work in Progress and finished goods :

Raw Materials -Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out (FIFO) basis.

Finished goods and Work in progress are valued at the lower of cost and net realisable value. Cost is determined on First in First out (FIFO) basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

6.Foreign Exchange Transactions

All transactions in foreign currency are recorded at the rates of exchange prevailing at the date of transaction. Any gain/ loss on account of the fluctuation in the rate of exchange is recognized in the statement of

Monetary items in the form of Loans, Current Assets and Current Liabilities in foreign currencies outstanding at the close of the year are converted in Indian currency at the appropriate rates of exchange prevailing on the date of Balance Sheet. Resultant gain or loss on account of the fluctuation in the rate of exchange is recognized in the statement of Profit and Loss.

7.Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

8.Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of that asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. Costs incurred in raising funds are amortized equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

9.Income Tax

The accounting treatment for the Income Tax in respect of the Company's income is based on the Accounting Standard on 'Accounting for Taxes on Income' (AS-22). The provision made for Income Tax in Accounts comprises both, the current tax and deferred tax. Provision for Current Tax is made on the assessable Income Tax rate applicable to the relevant assessment year after considering various deductions available under the Income Tax Act, 1961.

Deferred tax is recognized for all timing differences; being the differences between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. The carrying amount of deferred tax asset/liability is reviewed at each Balance Sheet date and consequential adjustments are carried out.

10.Earnings Per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

11.Provisions and Contingent Liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the likely future outflow of economic benefits required to settle the obligation at the reporting date.

Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

12.Cash and Cash Equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

13. Investments

Investment which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

14. Government Grants and Subsidies

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognised as income over the life of a depreciable asset by way of a reduced depreciation charge.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.

15. Contingencies and events occurring after the Balance Sheet date

Events that occur between balance sheet date and date on which these are approved, might suggest the requirement for an adjustment(s) to the assets and the liabilities as at balance sheet date or might need disclosure. Adjustments are required to assets and liabilities for events which occur after balance sheet date which offer added information substantially affecting the determination of the amounts which relates to the conditions that existed at balance sheet date.

16. Related Party Transactions

Related parties as defined under Accounting Standard - 18 'Related Party Disclosures' have been identified based on representations made by management and information available with the Company. All transactions with related parties are in the ordinary course of business and on arms' length basis.

17. Leases

The company has taken Office & factory on lease and classified as an Operating lease and lease rentals are recognized in profit of loss account as per lease terms.

18. Segment Reporting

As per As -17 Segment Reporting is not applicable to the company for the reporting period.

19. Employee Benefits

Defined-contribution plans:

All short-term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

The Company's contribution to Provident Fund is determined based on a fixed percentage of the eligible employees' salary and charged to the Statement of Profit and Loss on accrual basis.

The Company has made provision for payment of Gratuity to its employees. This Provision is made as per the method prescribed under the Payment of Gratuity Act. The cost of providing gratuity under this plan is determined on the basis of actuarial valuation at year/period end. The company has unfunded gratuity plan.
